RESIDENT MEMORANDUM

---

---

TO: RESIDENTS AND FAMILIES OF THE MOUNT  
FROM: LINDSAY DICKIESON, ADMINISTRATOR  
SUBJECT: END OF COVID OUTBREAK MEMO  
DATE: MAY 18, 2022

---

We remain at only 1 positive case of Covid-19 today. All close contacts have tested negative. With only 1 case of Covid-19, this is not a true outbreak, however we continue to monitor the situation closely.

Additional restrictions are now lifted for residents.

The regular visitation and outing guidance is attached (April 19, 2022).

Staff can now wear 1 blue medical mask and eye protection.

If you are caring for the positive case, you must wear the PPE outlined on the signage (2 blue medical masks OR 1 N95 mask and a face shield OR goggles)

Thank you,

Lindsay Dickieson, Administrator
