## STAFF MEMORANDUM

---

---

TO: STAFF OF THE MOUNT  
FROM: LINDSAY DICKIESON, ADMINISTRATOR  
SUBJECT: END OF OUTBREAK STATUS  
DATE: JULY 6, 2022

---

**The Covid-19 outbreak status is over on Thursday July 7, 2022.**

There are still residents on isolation. Please check for isolation carts and signage before entering a resident room.

Staff working in Orchard View Neighborhood must continue to double mask and wear a face shield in that neighborhood, until all residents have completed their isolation.

Staff do not have to test prior to coming on shift, but test kits are always available.

Outbreak Summary:

2 cases in residents in Orchard View Neighborhood. These were linked by close contact. Both residents are doing well.

Regular visitation and activities resume effective Thursday July 7, see the attached visitation memo from June 1, 2022 for guidance.

Thank you,

Lindsay Dickieson, Administrator
