RESIDENT & FAMILY MEMORANDUM

TO: RESIDENTS & FAMILIES

FROM: CRYSTAL MACEACHERN, CO-ADMINISTRATOR

SUBJECT: UPCOMING FALL VACCINATIONS

DATE: SEPTEMBER 25, 2024

Planning has begun for our fall vaccination clinics. Vaccines have been ordered and staff are receiving education about administering the vaccines. This year we will be holding clinics for three types of vaccinations:

Influenza (the flu shot)
https://www.princeedwardisland.ca/sites/default/files/publications/hd_influenza_inactivated_fact_sheet_2023_final.pdf

Covid
https://www.princeedwardisland.ca/sites/default/files/publications/20231003_covid-19_vaccine_fact_sheet_xbb.pdf

RSV (Respiratory Syncytial Virus) - more information to follow on this vaccine.

Dates for the clinics in your neighborhood will be communicated as soon as the vaccines become available and clinics are scheduled. In the upcoming days, staff will be verifying residents' consents for receiving these vaccines. If you have any questions about your consent or the upcoming vaccines, please speak with your team lead or the RN in your household.
